INTERNAL NOTICE 10: 2020 PURCHASING OF PRE PAID ELECTRICITY

Dear Residents.

A. Changes in purchasing of electricity at vendor points within Gamhoa (Shop and Barbara)

1. For years we were able to purchase electricity for the Shop and or Barbara contributing to a high risk of cash handling, managing thereof and the banking carrying large sums of cash.
2. Due to obvious reasons the Board of Directors had to implement measures to reduce the risk of cash handling and associated risk of armed robbery and possible other consequences.
3. **With effect from 1st April 2020 the following changes will be implemented at the vendor points shop and Barbara.**
 - 3.1 A card payment system will be installed and available for residents to purchase of electricity**
 - 3.2 No Cash Transactions will be accepted at any electricity sales point within GAMTOOS.**
4. We thank you for your kind support and understanding the reasons as to why we must minimise the risk to our employees and vendors.

B Electricity may also be purchased from third party vendors same as in the past (Please produce or give Prepaid Meter Serial Number when purchasing at the following outlets)

- 8.1 First National Bank ATM'S – Minimum Purchase Value of R30.00
- 8.2 Internet Vending on the FNB & Easy pay websites, using Credit Cards or Debit Cards
- 8.3 Easy Pay points at: Pick 'n Pay Cashier points, Checkers Money Market Store Outlets.
- 8.4 Cigicell terminals selling Prepaid Electricity at Filling Stations.
- 8.5 Most Eskom Prepayment Sales Points

Thank you for your kind understanding and support
