9<sup>th</sup> of May 2020

**ADDENDUM 1 - INTERNAL NOTICE 10: 2020 PURCHASING OF PRE PAID ELECTRICITY**

Dear Residents.

**A. Changes in purchasing of electricity at vendor points within Gamtoos Mouth Resort.**

1. For years we were able to purchase electricity from the Shop and from Barbara Waspe. This results in high risk cash handling activities and cash managing activities. Also the cost of banking large sums of cash.
2. Due to these reasons the Board of Directors had to implement measures to reduce the risk of cash handling and the associated risk of armed robbery. Also other possible consequences.
3. **With effect from 1<sup>st</sup> May 2020 purchasing of electricity will no longer be available at the shop until further notice.**
4. **With effect from 7<sup>th</sup> of May 2020 the following changes will be implemented at the vendor point - Barbara Waspe – Erf 3 Kingfisher Crescent, GrunTERS.**
  - 4.1 **A First National Bank card payment system will be installed and available for residents to purchase of electricity.**
  - 4.2 **No Cash Transactions will be accepted from 1<sup>st</sup> June 2020 at any electricity sales point within the Gamtoos Mouth Resort.**
  - 4.3 **Please when purchasing electricity consider the card banking costs. If possible in order to reduce the GAMHOA banking transaction fee we request a minimum of R100 to be purchased at any one time.**
5. We thank you for your kind support. Also for understanding the reasons as to why we must minimise our cash handling activities. The risk to our employees and vendors has been become far too high.

**B Electricity may also be purchased from third party vendors same as in the past.**

**1. (Please produce or give Prepaid Meter Serial Number when purchasing at the following outlets)**

- 1.1 First National Bank ATM'S – Minimum Purchase Value of R30.00
- 1.2 Internet Vending on the FNB & Easy pay websites, using Credit Cards or Debit Cards
- 1.3 Easy Pay points at: Pick 'n Pay Cashier points, Checkers Money Market Store Outlets.
- 1.4 Cigicell terminals selling Prepaid Electricity at Filling Stations.
- 1.5 Most Eskom Prepayment Sales Points

Again thank you for your kind understanding and support  
GAMHOA Board of Directors and Management.
